Each written consent shall bear the date of signature of each member of the Board who signs the consent. The Treasurer shall have the custody of the corporate funds and securities and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Association and shall deposit all moneys and other valuable effects in the name and to the credit of the Association in such depositories as may be designated by the Board.

The Treasurer shall disburse the funds of the Association as may be ordered by the Board, taking proper vouchers for such disbursements. The Treasurer shall keep and maintain the Association's books of account and shall render to the President and Board an account of all of the Treasurer's transactions and of the

financial condition of the Association and exhibit the books, records and accounts to the President or Board at any time. The Treasurer shall disburse funds for capital expenditures as authorized by the Board and in accordance with the orders of the President, and present to the President's attention any requests for disbursing funds if, in the judgment of the Treasurer, any such request is not properly authorized. The Treasurer shall perform such other duties as may be directed by the Board or by the President.

If required by the Board, the Treasurer shall give the Association a bond in such sum and with such surety or sureties as shall be satisfactory to the Board for the faithful performance of the duties of the office and for the restoration to the Association, in case of death, resignation, retirement or removal from office, of all books, papers, vouchers, money and other property of whatever kind in the incumbent's possession or under the incumbent's control belonging to the Association.

5.09 Board Member at Large. Member at large serves as a liaison to the general membership. Duties change as defined in the organizations bylaws or as needed to fulfill board requirements and address overall organizational goals.

5.10 Trustees. The membership shall elect three (3) Trustees at the annual meeting whose sole responsibility will be to review the financials of the Association prior to the annual meeting, tend to sign in sheets for the annual meeting, count ballots for election of officers and trustees, and any additional duties the Board may assign.

ARTICLE VI MEETINGS

6.01 Place of Meeting. The Board may designate any place within Hidalgo County, Texas, as the place of meeting for any annual meeting or special meeting of the Members called by the Board. If no designation is made, the place of meeting shall be the Recreational Hall of the Association in the State of Texas.

6.02 Annual Meeting. The annual meeting of the Members shall be held on the second (2nd) Saturday in January of each year.

Failure to hold the annual meeting of the Members at the designated time shall not work a dissolution of the Association. In the event the Board fails to call the annual meeting of the Members at the designated time, any Member may make demand that such meeting be held within a reasonable time, such demand to be made in writing by certified mail, return receipt requested, directed to the registered agent of the Association and to the Association at the address for the Association according to the most recently filed management certificate. A copy

of the demand must be sent to each Member of the Association. If the annual meeting of Members is not called within thirty (30) days following such demand, any Member may compel the holding of such annual meeting of the Members by legal action directed against the Board, and all of the extraordinary writs of common law and of courts of equity shall be available to such member to compel the holding of such annual meeting of the Members.

6.03 Notice of Members' Meeting. Written or printed notice stating the place, day, and hour of the meeting and, in case of a special meeting, the purpose or purposes for which the meeting is called, shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting, either personally, email, text or by postal mail, at the direction of the President, or the Secretary, or the officers or persons calling the meeting, to each Member entitled to vote at such meeting. If mailed, such notice shall be deemed to be given when deposited in the United States mail addressed to the Member at the Member's address as it appears on the records of the Association, with postage thereon paid. In addition, a copy of the notice shall be posted at the Recreational Hall.

6.04 Special Members' Meetings. Special meetings of the Members may be called by the President, the Board, or by Members having not less than ten percent (10%) of the votes entitled to be cast at such meeting.

Only business within the purpose or purposes described in the notice or executed waiver of notice may be conducted at a special meeting of the Members.

Any person or persons entitled hereunder to call a special meeting of Members may do so only by written request sent by certified mail or delivered in person to the President or Secretary. The officer receiving the written request shall within ten (10) days from the date of its receipt cause notice of the meeting to be given in the manner provided by these Bylaws to all Members entitled to vote at the meeting. If the officer does not give notice of the meeting within ten (10) days after the date of receipt of the written request, the person or persons calling the meeting may fix the time of meeting and give the notice in the manner provided in these Bylaws. Nothing contained in this section shall be construed as limiting, fixing, or affecting the time or date when a meeting of Members called by action of the Board may be held.

6.05 Voting of Members. Each Member shall be entitled to one (1) vote on each matter submitted to a vote of the Members, except to the extent that the voting rights of Members are limited, enlarged, or denied by the Certificate of Formation of these Bylaws.

Unless otherwise provided by the Declaration, the Certificate of Formation or these Bylaws, a Member may vote in person by ballot or may vote by completed absentee ballot mailed in or emailed in at least 2 days prior to the scheduled

meeting. The ballot should be placed in a sealed envelope which should have the homeowner's signature, and a place to print their name, lot number and date.

For those with no email, the secretary will mail them a printed ballot to be filled out by the homeowner, along with an enclosed envelope, upon which should be printed the words, "Returning completed Ballot". This envelope should have the homeowner's signature, and a place to print their name, lot number and date on it, and be sealed and enclosed in another envelope addressed to the secretary, so that the inner envelope will not be opened except by the trustees when the votes are to be counted.

For those with an email address, a ballot can be emailed to them which they can print and complete the ballot and return it by regular mail similar to above or they can scan it or take a photo of the completed ballot and email it back to the secretary and one of the trustees, however, this would not be a secret ballot as such. If a homeowner does not have access to a printer, they may make a handwritten ballot similar to what was emailed and complete it and send it back by one of the methods mentioned above.

At each election for members of the Board, every Member entitled to vote at such election shall have the right to vote, in person or by absentee mail in ballot, for as many persons as there are members of the Board to be elected and for whose election the Member has a right to vote.

The vote of the majority of the votes entitled to be cast by the Members present, or represented by absentee mail in ballot at a meeting at which a quorum is present, shall be the act of the Members' meeting, unless the vote of a greater number is required by law, the Certificate of Formation, or these Bylaws.

Any vote may be taken by voice or show of hands unless a Member entitled to vote, either in person or by absentee mail in ballot objects, in which case written ballots shall be used.

Any property that has been abandoned (due to death or other reasons) and that the HOA fees have not been paid for a minimum of 2 years, and no contact has been made by a family member or lawyer and the last contact information on our records has not produced any results, these abandoned properties shall not be counted in the total of membership for voting purposes.

6.06 Quorum of Members. Unless otherwise provided in the Declaration, the Certificate of Formation or in these Bylaws, Members holding thirty five percent (35%) of the votes entitled to be cast, represented in person or by absentee ballot, shall constitute a quorum. Unless otherwise provided in the Declaration, Certificate of Formation or these Bylaws, once a quorum is present at a meeting of Members, the Members represented in person or by absentee ballot at the meeting may conduct such business as may be properly brought before the

meeting until it is adjourned, and the subsequent withdrawal from the meeting of any Member or the refusal of any Member represented in person or by absentee ballot to vote shall not affect the presence of a quorum at the meeting. Unless otherwise provided in the Declaration, the Certificate of Formation or these Bylaws, the Members represented in person or by absentee ballot at a meeting of Members at which a quorum is not present may adjourn the meeting until such time and to such place as may be determined by a vote of the majority of the Members represented in person or by absentee ballot at that meeting.

6.07 Fixing Record Dates for Determining Members Entitled to Vote and Notice. The record date for determining the Members entitled to notice of a Members' meeting and for determining the Members entitled to vote at a Members' meeting shall be the close of business on the business day preceding the date on which notice is given, such date in any case, shall not be earlier than the sixtieth (60th) day before the date the action requiring the determination of Members is originally to be taken.

A determination of Members entitled to notice of or to vote at a Members' meeting is effective for any adjournment of the meeting unless the Board fix a new date for determining the right to notice or the right to vote. The Board must fix a new date for determining the right to notice or the right to vote if the meeting is adjourned to a date more than ninety (90) days after the record date for determining Members entitled to notice of the original meeting.

6.08 Voting Lists. After fixing a record date for the notice of a meeting, the Association shall prepare an alphabetical list of the names of all the voting Members who are entitled to notice of the meeting. The list must show the address and email address of each voting member. The Association shall maintain, through the time of the Members' meeting, a list of Members who are entitled to vote at the meeting but are not entitled to notice of the meeting. This list shall be prepared on the same basis and be part of the list of voting Members.

Not later than two (2) business days after the date notice is given of a meeting for which a list was prepared, as provided above, and continuing through the meeting, the list of voting Members must be available for inspection by any Member entitled to vote at the meeting for the purpose of communication with other Members concerning the meeting at the Association's principal office or at a reasonable place identified in the meeting notice in the county where the meeting will be held. A voting Member or voting Member's agent or attorney is entitled upon written demand to inspect and to copy the list at a reasonable time and at the Member's expense during the period it is available for inspection.

The Association shall make the list of voting Members available at the meeting, and any voting Member or voting Member's agent or attorney is entitled to inspect the list at any time during the meeting or any adjournment.

6.09 Action by Members Without Meeting. Any action required by the Texas Business Organizations Code or the Texas Property Code to be taken at a meeting of the Members, or any action which may be taken at a meeting of the Members, may be taken without a meeting if a consent in writing, setting forth the action to be taken, shall be signed by all the Members entitled to vote with respect to the subject matter thereof. Such consent shall have the same force and effect as a unanimous vote.

If the Association's Certificate of Formation so provides, any action required by the Texas Business Organizations Code or the Texas Property Code to be taken at a meeting of the Members may be taken without a meeting if a consent in writing, setting forth the action to be taken, is signed by a sufficient number of Members as would be necessary to take that action at a meeting at which all of the Members were present and voted.

Each written consent shall bear the date of signature of each Member who signs the consent. Prompt notice of the taking of any action by Members without a meeting by less than unanimous written consent shall be given to all Members who did not consent in writing to the action.

If any action by Members is taken by written consent signed by less than all of the Members, any articles or documents filed with the Secretary of State as a result of the taking of the action shall state, in lieu of any statement required concerning any vote of the Members, that written consent has been given in accordance with the provisions of section 6.202 of the Texas Business Organizations Code and that any written notice required by such section has been given.

A telegram, email, cablegram, or similar transmission by a Member or a photographic, photostatic, facsimile, or similar reproduction of a writing signed by a Member shall be regarded as signed by the Member for purposes of this section.

If the insurance or other arrangement is with a person or entity that is not regularly engaged in the business of providing insurance coverage, the insurance or arrangement may provide for payment of a liability with respect to which the Association would not have the power to indemnify the person only if including coverage for the additional liability has been approved by the Members of the Association.
